

LINE LIGHT 4

LINE LIGHT for Auto lifts and pits

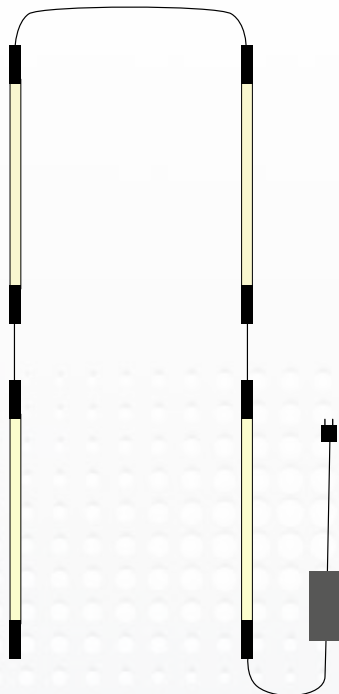

LINE LIGHT 4 is a flexible lighting solution for universal application design to be used anywhere where strong, efficient and concentrated light in a specific working area is needed. With 4 complete lighting units the LINE LIGHT 4 is the perfect lighting solution for a auto pits or lifts. With it's low voltage (24V DC) system the LINE LIGHT 4 can be installed by yourself. The LINE LIGHT 4 illuminats almost double as much as traditional 36W flourescent tubes. The LINE LIGHT 4 has a built-in prism that focuses the light in a 75 degree angle. This means that by simply turning of the lamp, it can illuminate the entire work area without blinding the mechanic. Delievered with the LINE LIGHT DIMMER.

- "Unbreakable"- extremely sturdy and shockproof
- Waterproof to resist wet and dirty workshop enviroment
- Low voltage 24V DC
- Technical lifetime og LEDs 100.000 hours
- Made in Denmark
