

FLASH 400 R

Rechargeable, sturdy and powerful flashlight

ORIGINAL
SCANGRIP

SINCE 1906

FLASH 400 R is very sturdy and of extraordinary high quality designed for the professional user. It is with focus function for concentrated and focused light beam offering an extremely bright light output of 400 lumen. Light output reaches up to 280 m.

Move lens from extremely bright close range work light and long-distance light, possible to move lens beam angle from 10° - 70°.

FLASH 400 R is delivered with a silicone wrist strap as well as a practical belt pouch to carry it along during work, and features a sturdy and durable aluminium housing with an ergonomic and safe grip.

The flashlight can easily be recharged by the enclosed USB cable and once necessary the rechargeable batteries can easily be replaced.
