

STICK LITE M

Universal handlamp in slim design with 250 lumen

The STICK LITE M is ideal for those who value good, compact design combined with uncomplicated functionality. Regardless if it is for everyday use or a tough job, the STICK LITE M delivers as promised: optimal brightness and handy design at a fair price.

Born rechargeable, the powerful STICK LITE M with torch light function enables convenient and precise work. The STICK LITE M is thus recommended for everyone who need universal, sturdy and handheld work lights. The practical built-in magnets allow you to benefit from the bright light of the handlamp and still having both hands free for work.

The ultra-thin design with round shapes makes STICK LITE M comfortable to carry in the pocket ready at hand for the daily inspection tasks. The slim designed handlamp is also optimized in weight to provide maximum working comfort.

- Powerful handlamp with top light function
- Providing up to 250 lumen
- Ultra lightweight for maximum working comfort
